Conference Call

8 August 2023, 2 p.m. CEST

Your speakers

Focus on high quality and sustainable growth

Marc Werner, CEO

Half year results 2023 and guidance update

Felix Burkhard, CFO

Q&A

We continue our path...

...uphill, after a short descent!

Focus on high quality and sustainable growth

Marc Werner, CEO Galenica Group

The new Joint Venture with Redcare pharmacy:
A great step forward in our omni-channel strategy!

**Two strong partners build the leading
pure online pharmacy in Switzerland.**

Sun Store becomes Amavita

In German-speaking Switzerland

The pharmacy as the first point of contact for health issues

A woman with curly hair is in the foreground, looking towards the right. Behind her, a pharmacist in a white coat is looking down, possibly at a computer screen or a document. The background is a blurred pharmacy setting.

Services & Consultation

+34%

a promising development!

Swiss Skills Shortage

Top 5 occupational groups

- 1. Specialists in health care professions**
2. Developers and analysts of software and IT applications
3. Engineering and similar specialists
4. Construction foremen, polishers and production managers
5. Polymechanics, machine technicians, machinery workers

Verfora - by far #1 in the Swiss OTC market

Recent acquisitions & partnerships

His Holiness Sakya Trizin visiting Padma in July 2023

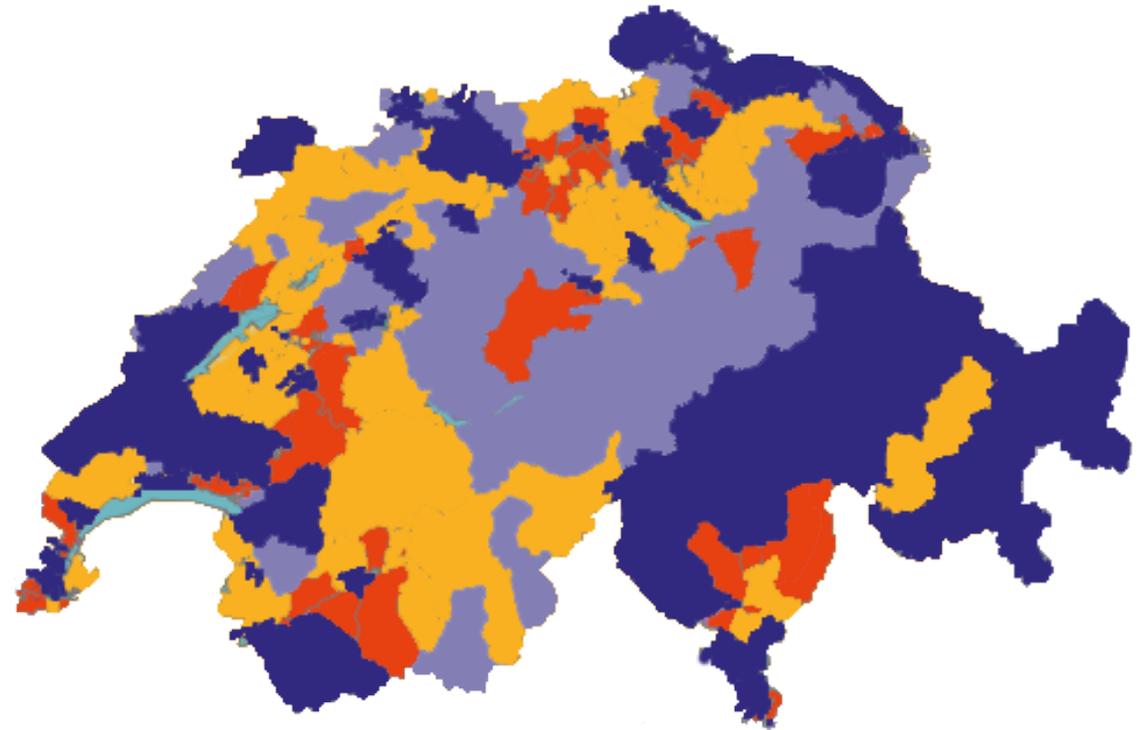

Strong growth in the «Logistics & IT» segment

Growth in the physician market - but only high quality and sustainable

"In the next 2 to 3 years there will no longer be enough doctors to care for the population, patients will have to expect several months of waiting time."

Philippe Luchsinger, President of the Association of General Practitioners and Paediatricians

Primary health care:
= **good** to **overprovided**
= **poorly** and **underprovided**
