Galenica announces Expiration of Cash Tender Offer for Shares of Common Stock of Relypsa

Galenica Group today announced that its tender offer to purchase the outstanding shares of common stock of Relypsa, Inc., (NASDAQ: RLYP) at USD 32.00 per share, net to the seller in cash, without interest and less any applicable withholding taxes, expired at 12:00 midnight New York time, at the end of the day on Wednesday, August 31, 2016. The tender offer was effected by the indirect wholly owned subsidiary of Galenica, Vifor Pharma USA Inc.

The depositary for the tender offer has advised that, as of the expiration of the tender offer, a total of 38,673,841 shares of Relypsa's outstanding common stock have been validly tendered and not validly withdrawn (not including any shares tendered pursuant to notices of guaranteed delivery), representing approximately 85.6% of Relypsa's outstanding shares. In addition, the depositary advised that notices of guaranteed delivery have been delivered with respect to 1,842,226 additional shares, representing approximately 4.1% of Relypsa's outstanding shares. All shares that were validly tendered and not validly withdrawn during the offer period have been accepted for payment. Payment for such shares will be made promptly, in accordance with the terms of the offer.

The condition to the tender offer that a majority of Relypsa's outstanding shares be validly tendered has now been satisfied, and Galenica intends to complete its acquisition of Relypsa promptly through a merger under Section 251(h) of the General Corporation Law of the State of Delaware. As a result of the merger, each share of common stock of Relypsa not tendered in the tender offer (other than shares held by Relypsa, Galenica or their respective wholly owned subsidiaries and other than shares held by Relypsa stockholders who have properly and validly perfected their statutory appraisal rights in connection with the merger in compliance with Delaware law) will be converted into the right to receive USD 32.00 per share, net to the seller in cash, without interest and less any applicable withholding taxes.

Forward Looking Statements

The statements included in this press release contain forward-looking statements, which are generally statements that are not historical facts. Forward-looking statements can be identified by the words "expects," "anticipates," "believes," "intends," "estimates," "plans," "will," "outlook" and similar expressions. Forward-looking statements are based on management's current plans, estimates, assumptions and projections and speak only as of the date they are made. Galenica undertakes no obligation to update any forward-looking statement in light of new information or future events, except as otherwise required by law. Forward-looking statements involve inherent risks and uncertainties, most of which are difficult to predict and are generally beyond the control of Galenica, including the following: (a) the risk that the transaction disrupts current plans and operations; (b) difficulties or unanticipated expenses in connection with integrating Relypsa into Galenica; (c) the risk that the acquisition does not perform as planned; and (d) potential difficulties in employee retention. Actual results or outcomes may differ materially from those implied by the forward-looking statements as a result of the impact of a number of factors, many of which are discussed in more detail in the public reports of each company filed with the SEC or the SIX Swiss Exchange.
